

Soberstock committee

Event Update

Soberstock Supporters,

The committee has met and decided, for the health and safety of all involved, to again **postpone** Soberstock until **MARCH 18-20, 2022**. It is our collective hope that by then, it will be safe to hold the event for maximum enjoyment.

As with last year, **ALL registrations and monies paid will be held and honored for 2022**. We appreciate your understanding and very much look forward to reconvening for unity, recovery and music next year! Until then, stay safe and we know we all look forward to an amazing event in 2022!
