

**Friday Night:** In addition to our Meet and Greet, we will have an orientation meeting for our Area 15 Virtual Quarterly. We will discuss participation procedures in all meetings, including the Area business meeting. If you rename yourself in your zoom account, your name will be established for each meeting all weekend, as opposed to renaming yourself in the meeting directly, when you will need to repeat that process for each meeting. We are planning a full agenda, which is laid out in the program, except for the banquet. Our Virtual Sub-Committee will have a Help Desk to assist with any technical issues that arise over the weekend. Please call or text our HELP DESK @ (813) 597-1655.

**Saturday:** All the meetings are listed in the Virtual Program, which is available on the Area website ([area15aa.org](http://area15aa.org)). All meetings will have the additional safety feature of a waiting room; the host will let you in to the meeting once the meeting room has opened. Meeting rooms will open 15 minutes prior to meeting start except for the Area business meeting, which will open at 8am to allow a one-hour registration period; please enter early to allow time for the entry process. If you rename yourself in your zoom account, your name will be established for each meeting all weekend, as opposed to renaming yourself in the meeting directly, when you will need to repeat that process for each meeting.

**Sunday:** As you enter the main meeting, you will be ushered into a District break-out room so that your District can take roll call and determine the vote count. We will be utilizing a similar renaming process as our last quarterly and would appreciate your renaming yourself in advance whenever possible. If you rename yourself in your zoom account, your name will be established for each meeting all weekend, as opposed to renaming yourself in the meeting directly, when you will need to repeat that process for each meeting. The business meeting will start at 9am, and our Virtual Sub-Committee Tech team will remain available to late comers for handling the renaming process and amendments to the vote count. Should you get disconnected, please dial back in and you will be re-admitted under the same user account. Please remain in the business meeting room for the General Service Conference Review which will resume when the business meeting closes.

Please utilize the chat function with the Host with any questions or concerns during the meeting or reach out to the Help Desk via text or phone.

Also, please refer to the renaming document on the Area website for the renaming format ([area15aa.org](http://area15aa.org)).

Please feel free to reach out with questions and concerns as your participation in our quarterly assembly is vital.

Thank you!
