

ACTS Detox and ACTS Amethyst Drew Park

As many of you are aware, the managers of ACTS Detox on Henry Ave and ACTS Amethyst Drew Park have recently re-opened their doors for us to carry the AA message of recovery to their clients. As such, they have specified that all volunteers entering their facilities be fully vaccinated against Covid and wear a mask. Thank you to those of you who have met those requirements and have made a commitment to chair meetings at those facilities. You are doing vital 12th step work which not only benefits clients of those facilities but also you. While many meetings are being covered, others are in need of a chair person. If you or someone you know would like to make a commitment to chair a meeting or to be an on-call substitute chair person at either ACTS Detox or ACTS Amethyst, please let me know by return email or call or text me at **850-855-9757**.
