What if I needed a meeting and there was none? What if there was no Central Office to call to and ask for help?

There are hundreds, probably thousands of active alcoholics in our area. Many may never think they need our help or even want our help. But, just like you and I, there will be a few who desperately want and need our help. Many may reach for but not find the hand of A.A. We need to be there to help them when they are ready. Are **you** ready to help? Will **you** help? **Do not sign up if you are not committed to help.**

We really need drivers in your area to help new or potential or older AA Members who can't drive, have no funds for a cab or maybe not on a bus route to get to your meeting or any meeting. Remember when you needed help and there was someone who reached out to you, let's not forget how we were able to recover. Please Help.

Please fill this form out and mail or drop by the Central Office

Before the still suffering alcoholic gets to your meeting, either they or a loved one has usually called Central Office first.
