Come and hear these awesome speakers teach us how  
to apply the 12 traditions in our relationships!

If you are in a relationship or hope to be, we can  
all benefit from a reasoned application of certain  
principles and guidelines. When applied to  
relationships, the 12 Traditions, provide clear,  
well-reasoned principles and guidelines that we  
all can use to improve our most important  
relationships in life.
